Spouting Limited

## CLEAN, SHARP, LOOK

Continuous spouting creates a clean sharp look to enhance your home. We bring our mobile factory to your home and tailor make your spouting to fit you home perfectly. No joins, no leaks, Clearly the best look!

## CREATIVE COLOUR

We use Colorcote pre-painted steel products available in 21 standard colours and 34 designer colours. So you can find the perfect match to compliment your home.

## CONTEMPORARY COPPER

For the ultimate in quality we have copper, the most reliable material for rainwater systems adding a touch of class.

## CLEARWATER SPOUTING

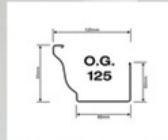

We are a Canterbury owned and operated business, not a franchise. We take great pride in our work and our qualified installers will work closely with you to make sure you are 100% satisfied. We will remove and dispose of your old spouting leaving your home clean and tidy.

## CERTAINTY

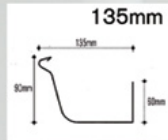

You can be certain that we have completed your spouting to the highest professional standard using the highest quality materials. We will also give you our **10 year guarantee** on our workmanship for your total peace of mind.

## CONTINUOUS SPOUTING PROFILES

The "Old gothic" profile has stood the test of time and is suitable on older and modern style homes.

The quarter round profile continues to grace the exterior of many traditional New Zealand homes.
